

Special Offering for February

Every congregation in Puerto Rico and the Virgin Islands was affected by Hurricane Maria. Many of them were flooded and lost Hymnals, Pew Bibles, Musical Instruments, Sound Systems, and Liturgical Vestments.

In the month of February, Peace is focusing on “Building Puentes,” a synod-wide effort to support the Caribbean Synod.

On February 4th, Pastor Carmelo Santos, originally from Puerto Rico, preached at 10:30 am service and lead an Adult Education session at 9:15 am. You can listen to his sermon [here](#).

Throughout February, we will take a special offering for Building Puentes.

We will pray for people throughout the Caribbean who are still affected by Maria.

We hope this is the beginning of a deeper relationship with the Caribbean Synod.

Donations can be made at our Sunday morning services or by accessing the donation link on our website, sharingpeace.org. Click on “donate” on the top left corner. Gifts given in the category of “monthly special” will go to Building Puentes.

More information and videos about the program can be found on the [Metro DC ELCA website](#).
